

**Veterans of Foreign Wars of the United States
Department of Nebraska**

Post a story to VFW Nebraska news network

Problem

- The paper newspaper is published every quarter.
 - The paper newspaper had old, dated news when it is published.
 - The paper newspaper cost to produce and mail is expensive.
-

Solution

- The website, VFW Nebraska Network News is the new “electronic newspaper”.
- “posts” or “news stories are immediate, real-time published stories
- VFW Nebraska Network News saves the VFW Department of Nebraska money and time.

- VFW Department of Nebraska webmaster and all posts and districts webmasters have the ability to create “posts” (news feed, news story or the new VFW Department of Nebraska “electronic newspaper”).
- When you post a story in WordPress using the dashboard, your story will be published on the home page, VFW Nebraska Network News, box on the right side of the home page.
- The VFW Department of Nebraska homepage and all posts and districts homepages will show the “post” on VFW Nebraska Network News, box on the right side of the home page.
- Consider the VFW Nebraska Network News as a “news feed, news story or the new VFW Department of Nebraska “electronic newspaper”.
- Create valued news stories around post events, community events, veterans events, etc. Do not publish events like canteen events, food events, etc. because they should be on the webpage or in a newsletter.
- Only publish “posts” that could normally be placed in the VFW Nebraska newspaper.

1. In the dashboard mode, select “posts”
2. Select “add new” to create a new post
3. See all posts that already exist

1. Enter the header or title of the post. Make it news grabbing so people will want to read further than the title
2. Enter text, pictures, links to web pages, videos. It works like a new web page creation.
3. Select the news category, create a new category for your post or district news.
4. Select publish as a final step.

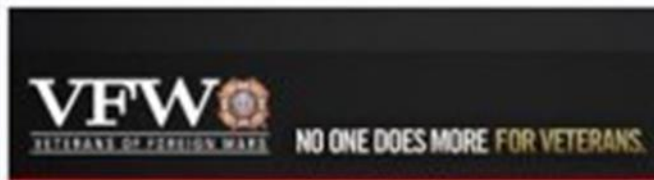

The screenshot shows the WordPress 'Add New Post' interface. A red box labeled '1' highlights the title input field at the top. A large red box labeled '2' encompasses the main content editor area, which includes a rich text toolbar with various formatting options like bold, italic, link, and image. A red box labeled '3' highlights the 'Categories' sidebar on the right, showing a list of categories such as 'National VFW News', 'Nebraska Webmaster's', 'Uncategorized', 'VA News', and 'VFW Nebraska News'. A red box labeled '4' highlights the 'Publish' button in the 'Publish' sidebar on the right.

1. VFW Nebraska Network News, box on the right side of the home page. Post will be published automatically. It may take time (1 hour?) for it to populate in VFW Nebraska Network News.
