

WEBSITE SOLUTION PROGRAM

by PIXELBIT | DrivePath

The easy-to-use online solution to helping you grow VFW membership and manage the VFW message and brand!

VALUE

- Our control panel allows you to easily manage the content of the site 24/7. This helps you keep events and resource information current.
- Makes it easier for potential new members to get the info they are looking for regarding membership.

FEATURES

- Choose from a collection of designs.
- Sync your Calendar with VFW department & national websites.
- Edit most of the content on the site including managing officers / staff via our dedicated control panel.
- Manage address, contact info and other content on the fly.
- Social media integration.
- Editable photo gallery, newsletter and more...

COST

ONLY **\$360⁰⁰** per year*

* Cost Includes one domain and hosting. Additional domains are \$35 each.
