Tom Brewer, State Senator
State Capitol, 13th Floor
PO Box 94604
Lincoln NE 68509

Dear Senator Brewer,

The Nebraska Veterans Council (NVC) is comprised of representatives from nine Veteran Service Organizations to include The American Legion, Veterans of Foreign War, Disabled American Veterans, American Veterans, Military Order of the Purple Heart, Paralyzed Veterans of America, Vietnam Veterans of America, the Nebraska Association of Veterans Advocates, and the Marine Corps League. These representatives are the voices of their respective organizations which combined total more than 60,000 veterans in Nebraska.

Each year, the Council reviews all proposed veteran-related legislation then decides which of these new bills we support, and in some cases, oppose. Your bill, LB-153, received the unanimous support of the Council. We believe that changing the current provisions that apply to the taxation of military retirement benefits would greatly impact Nebraskans positively and encourage more retired military members to remain in Nebraska following their retirement.

On behalf of Council Chairman Seth Kotouc, we would like to invite you to participate in the NVC's Legislative Day being held on Friday, February 8, 2019 in the Warner Chambers at 9:05 a.m. This invitation allows you an opportunity to speak directly to NVC Council members, and many other interested veterans, regarding the veteran-related legislative bill(s) you have introduced.

Please RSVP with my Council Secretary, Dave Salak, via email (dwsalak@windstream.net) before Tuesday, February 5th.

Sincerely,

David Salak
Secretary, Nebraska Veterans Council

Dear Senator Scheer,

The Nebraska Veterans Council (NVC) is comprised of representatives from nine Veteran Service Organizations to include The American Legion, Veterans of Foreign War, Disabled American Veterans, American Veterans, Military Order of the Purple Heart, Paralyzed Veterans of America, Vietnam Veterans of America, the Nebraska Association of Veterans Advocates, and the Marine Corps League. Each year, the Council reviews all proposed veteran-related legislation then decides which of these new bills we support, and in some cases, oppose. Your bill, LB-297, received the unanimous support of the Council. We believe that expanding the Eastern Nebraska Veterans Home and allowing for more residents would be positive for Nebraska. The waiting list is long, so any avenue to allow more veterans access would be great.

On behalf of Council Chairman Seth Kotouc, we would like to invite you to participate in the NVC's Legislative Day being held on Friday, February 8, 2019 in the Warner Chambers at 9:15 a.m. This invitation allows you an opportunity to speak directly to NVC Council members, and many other interested veterans, regarding the veteran-related legislative bill(s) you have introduced.
